

WHAT IS CESGA®

The Certified ESG Analyst (CESGA) granted by EFFAS, a pioneering degree in the financial field, has established itself as the professional certification of reference at an international level and the main entities in our country are training their professionals in ESG matters through this degree, with recognition in the main financial markets of the world.

Since 2014, the European Federation of Financial Analysts Societies (EFFAS) has been awarding ESG (Environmental, Social and Governance) analyst certification, which has already been obtained by more than 2000 professionals from 53 countries.

EFFAS CESGA® STRUCTURE

The CESGA® is a comprehensive programme structured in 9 Modules plus an additional complementary Module 10.
