Comments Made in Environmental-related Committees:

Panel on Environmental Affairs

20191028	38. Ms Starry LEE expressed grave concern that the proposed municipal solid waste ("MSW") charging scheme, if implemented, might be deeply unpopular under the prevailing social conditions. She therefore asked if the Administration would consider promoting waste reduction	Waste

	through positive incentives with reference to the practices of other jurisdictions such as South Korea.	
20191028	41. Ms Starry LEE said that according to her observation, there were still many cases of fly-tipping of C&D waste in various districts, and it generally took considerable time for the Administration to clear such waste after receiving complaints. She sought information on the latest progress of tackling C&D waste fly-tipping and new measures to be introduced for the purpose, if any.	Waste
